

October Center Newsletter

Happy October!! I hope that you are enjoying this beautiful warm Fall weather we have been having lately. Usually with Fall weather comes cooler temperatures, especially in the mornings. Please bring/keep a sweatshirt or light jacket in your child's cubby along with a hat. GLA-Promised Land go outside on a daily basis if the weather allows it. If you could also label your child's clothes, so we can be sure to keep the right clothes on the right children.

A big THANK YOU to everyone who submitted a Scholastic book order this time around! We earned many free books, and enough bonus points to purchase some other classroom items that teachers had on their wish lists!

All of the children have been working hard these last few weeks on completing an art project that you will be able to purchase novelties with their art on them! Please keep an eye out for these order forms and posters with more information on them!

If you have any other questions or concerns, please feel free to discuss them with Jessie/Angela. Thank you and have a wonderful month!
